

RPM Mobile Home Rater Update Instructions

1. Open your web browser and type: www.agencytechnologies.com.
2. On the left panel of the Home page, under RPM Mobile Home Rater, click **Downloads**.
3. Click the Update link. (There are two update links. One is shown under HTTP and the other FTP. FTP is generally faster. However, if you have difficulty downloading using FTP, use HTTP.)
4. On the File Download dialog box, click **Save**.
5. On the Save As window, click the drop down arrow next to **Save in:** and select **Desktop**.
6. After the update has been saved to your desktop, exit the web browser.
7. On your Windows desktop, double-click on mhpatch.exe to install the update. Once the installation process starts, follow the instructions on your screen install the update.
8. When the update is complete, delete mhpatch.exe from your desktop.
